A DAY WITH ANIMALS

My name is Mai. I am eight years old. I like to learn about animals.

Today, I am at the zoo with my friend, Ben. We see many different animals.

First, we see the bears. They are big and brown. They can climb short trees. They like to eat fish and berries.

Then, we see the birds. Some birds are small. Some birds are big. They all have wings and can fly. They sing beautiful songs.

In the reptile house, we see snakes. Snakes are long. Some snakes are green, some are brown. They can crawl on the ground. They cannot run.

We also see small fish in the big aquarium. They swim fast. They are colorful.

Ben says, 'I like the bears!' I say, 'I like the colorful fish!'

It is a great day at the zoo. We learn many new things.
